WHY FREEZE DRIED?

It reduces the amount of carbohydrate intake which reduces inflammation whether it's in the gut, skin, joints, or cognitive. A healthy food that your dog cannot refuse!

DR. VERWERS FREEZE DRIED TOPPERS

Developed by Board Certified practicing veterinarian, Craig Verwers, D.V.M to help your dog live a healthier life without added vegetable oils, glycerins, starch fillers and sugars.
CALMING - HIP & JOINT - HEART STRONG - DIGESTIVE

Customize It!

 Salmon Oil Supports digestions, skin & joints	 Bacon Fat Helps palatability, adds healthy fat	 Coconut Oil Helps prevent seizures & cognitive decline
 Probiotics Builds immune system & helps with digestion	 Dried Salmon Reduced carbs, adds flavor	 Beef Collagen Helps with digestive, skin, & joint health
 Freeze-Dried Beef Adds nutrients & helps with palatability	 Freeze-Dried Chicken Adds protein & benefits of raw	 Freeze-Dried Elk Add flavor & variety

You can customize your bag of dog food for added health benefits for your dog or to just change up the flavor without changing your dogs base formula! All customizations are made to order and come to your door fresh!
